

## **Grab Your Partner: Working Amongst, Within, and Outside the Organization**

### **Gaining Partnerships in Your Community Action Plan**

1. Choose a current or emerging program that you work on in your county.
  
  
  
  
  
  
  
  
  
  
2. Identify 3-4 potential partners to work with on this program. (Keep in mind the key ingredients to a successful partnership.)
  
  
  
  
  
  
  
  
  
  
3. Put together an action plan for reaching out to one of the above community partners and fostering a successful working relationship with them.
