*There were so many good submissions that we were not able to take all of them for concurrent sessions. In addition to those who proposed doing a poster we asked several of those listed above who submitted to do a concurrent session if they would consider doing a poster. We have 24 excellent poster presentations for you to view during the lunch period with presenters present on Thursday February 15. Thanks to all who submitted to do a poster and especially those who modified their concurrent session submission to share as a poster.*
